

# Camps international expedition 2024 Encounter

- Genesis 1:20-22
- Then God said, “Let the waters teem with swarms of living creatures, and let birds fly above the earth in the open expanse of the heavens.” God created the great sea monsters and every living creature that moves, with which the waters swarmed after their kind, and every winged bird after its kind; and God saw that it was good.

Rabbit

Panda

Dog

Cat

Duck

Koala

Sloth

Monkey

Gecko

Goat

Armadillo

Hamster

# Trip information

---

- We are looking to organise an expedition with Camps International, this trip would involve us going to another country such as Cambodia or Kenya for 28 days in the summer of 2024.
- This is a fantastic opportunity for you to travel and experience other cultures, places and natural environments which for many of us we will never experience.
- During the expedition, students can be involved in some truly live changing experiences such as;
- Complete project work to help local communities,
- Conduct some conservation work for project endangered environments and species
- Some really fun activities depending on the location like scuba diving, trekking through the rain forest or going on a safari.

# Trip information

- While this trip might already have some of you very excited, you do need to know how much of a commitment this will be and this should be discussed with your parents.
- The trip will roughly cost **£4000** per person.
- As a school we would like to fund raise as much of this as possible leading up to the trip.
- **But you will be expected to do your own fundraising as well!**
- Some things you could think about are, bag packing, sponsored runs/swims, car washing and many more.

# What can we learn from other cultures?

Your form tutor will now show you two short videos.

Discuss in your form.

- why this expedition might be exciting to you?
- What would you like to learn, see, or do?
- How could we encounter God doing these things?
- What impact you could have on other places?
- What impact could these places have on you?

# Next steps

- A letter will be put on the school website to parents explaining this opportunity along with this PowerPoint.
- If you are interested in this expedition, please speak to your parents and discuss if you would like to go and if you can commit to doing a lot of fundraising.
- Afterwards if you are interested still, please come speak to me at lunchtimes in U9. The Deadline for expressing interest will be the **Friday 17<sup>th</sup> of June**.
- If we get enough interest, we will then look at providing you more information to help you and your parents make a decision.
- Thank you for listening, if you have any remaining time in form you may wish to look at Camps International. A link will be provided below.
