

At Christ the King we want our students to get involved in as many clubs and enrichment opportunities as possible. Having the opportunity to explore and get involved in areas of interest (outside of the classroom) allows you to develop as a person and build on areas that you may be passionate about. We also think these clubs are great fun and a brilliant opportunity to meet new people! If you attend an enrichment club you will be awarded a +CARE point for every session you attend. You will be asked to 'sign up' for clubs so have a look through some of the clubs we have on offer.

“Take opportunities to try new and varied activities that may not strictly fit into the curriculum, but that develop character, resilience.”

Morning:

	Sports	Creative Arts	Literacy	Academic	Subject	Other
	Year	Monday	Tuesday	Wednesday	Thursday	Friday
Before School 8:00am- 8:40am	All years	Homework Club (LRC)
