## Trust Agreement

### The Our Lady of Lourdes Catholic Multi Academy Trust

Our Lady of Lourdes Catholic Multi-Academy Trust was formed on 1 September 2018 of the 21 Catholic primary and secondary schools in Nottingham City and Nottinghamshire. The 15 Catholic schools in Lincolnshire joined OLoL on 1 September 2022, creating a Trust of 36 Catholic schools. We place the person and teachings of Christ at the centre of everything we do and work in close partnership with the Diocese of Nottingham and our sister Catholic MATs.

#### Our Lady of Lourdes Catholic Multi Academy Trust Mission Statement

We are a partnership of Catholic schools. Our aim is to provide the very best Catholic education for all in our community and so improve life chances through spiritual, academic and social development.

By placing the person and teachings of Jesus Christ at the centre of all that we do we will:

- Follow the example of Our Lady of Lourdes by nurturing everyone in a spirit of compassion, service and healing.
- Working together so that we can all achieve our full potential, deepen our faith and realise our God-given talents.
- Make the world a better place, especially for the most vulnerable in our society by doing 'little things with great love'. (*St Therese of Lisieux*)

#### *Trust Values and Virtues*

Our Trust values are inspired by our two patrons, Our Lady of Lourdes and St Thérèse of Lisieux.

Our virtues are values in action: expanding our mission, exemplifying our ambitions for everyone and underpinning our strategic priorities:

**Faith; Hope; Love; Humility; Respect; Attentiveness; Courage; Solidarity**

In living out our mission we are guided by our **Catholic Virtues**. They form a common vocabulary with which we can articulate our faith in action.

The Our Lady of Lourdes Catholic Multi-Academy Trust will nurture of your child; they remain at the heart of the aims and vision of school and Trust. Every child will be supported in the development of their faith, spirituality, and academic development by the Trust. The core purpose of Our Lady of Lourdes CMAT schools is to improve the lives of the pupils through high quality teaching and learning so that every child can achieve their potential.

For all of the 13,000 children in the Our Lady of Lourdes Catholic Multi-Academy Trust to be successful it is essential that the Trust, Schools and parents all work together in unity to enable them all to be successful and prepared for the next stages in their life.

## **Use of Social Media**

The Our Lady of Lourdes Catholic Multi-Academy Trust recognises the advantages and benefits of social media for both research purposes and promoting the work of the Trust. The Trust will use photographic material to promote the work of individual academies and the work of the Trust as a whole, on promotional material, including on social media. Where such material is used, parental permission will be sought through annual consent documents.

Whilst the use of social media is a positive means of communication, it should be used responsibly. The Trust Online Safety Policy outlines responsibilities of the Trust, schools, parents/carers and pupils when using social media. It is the expectation that when social media is used, it is used appropriately and in line with Trust Policy.

### **Breach of the Trust, School, and Home Agreement**

The school will always respond to an incident in a proportional way. The final decision for how to respond to breaches of this agreement rests with the Headteacher.

At all times Christ the King serves as a witness to our Catholic faith, ensuring the Catholic Virtues are central to all that we do. Our aim is to always maintain highly positive relationships with our community and we will work sensitively in collaboration with our families to ensure that potential issues are resolved prior to any other measures being taken; this could take the format of face to face, reconciliation, or mediation meetings. The school will always aim to resolve any parental concerns informally in the first instance.

**On the very rare occasion that the Trust – School - Home agreement is not followed by a parent or carer then the headteacher will consult with the Trust before further measures are imposed e.g. removing Parents' right to enter the school site.**

**\*Please note that unreasonable, abusive or offensive communication, including on social media platforms is unacceptable and the school reserves the right to address any such problems as they feel appropriate in discussion with OLoL Trust.**
