1. All students should have copies of knowledge organisers and the CGP flash cards.
 2. <https://cognitoedu.org/> - This website is the best for revision, and it is free to sign up. It has video tutorials, pre made flash cards, past paper questions, retrieval quizzes. Your child just needs to make sure they select AQA, higher Separate or higher or foundation combined.
 3. <https://science-practical-simulator.web.app/> - a web based practical simulator but can also be downloaded as an app for free. This enables your child to carry out the required practicals for Biology, Chemistry and Physics. Required practical questions account for about 30% of the marks in science.
