- Inform the school of changes in family circumstances and/or problems that could affect my child's learning.

Appearance and Dress

- Students are expected to dress sensibly and appropriately and in doing so, be aware that they set an example to the rest of the school. It is useful to have one smarter outfit for public events, interviews and Mass.
- The following are considered unacceptable:
 - Clothing with inappropriate slogans
 - Clothing that is revealing, including low cut tops or cropped tops or transparent clothing
 - Very tight fitting clothes
 - Skirts or shorts that are well above the knee

It is important that all sixth form students MUST wear their ID badge with the provided lanyard around their neck, so it is visible. This is a legal requirement. The above is not an exhaustive list and the Sixth Form Team will make judgments based on their view of an individual's clothing. Students deemed inappropriately dressed will be asked to go home to change.

- In the January of Year 13, where a student is consistently demonstrating a good attitude to learning and good attendance, it can be agreed that from they attend tutor time only when they have a lesson period 1 or period 4. This is on a case-by-case level and will be constantly reviewed. Year 13 students are also expected to attend agreed meetings during tutor time with their tutors so that they can be supported pastorally and academically.
