Year 11 Learning Journey

Advent 2 (HT2) | Autumn term, second half

How to use this document

This shows what your child is learning in each subject this half term. You do not need to read it all at once. Choose one or two subjects, read the summary together, then ask your child:

1. **What are you doing well?**
2. **What do you need to do to improve?**

Listen for specific answers rather than a general "fine".

CORE SUBJECTS	
English	Power and Conflict Poetry, Cluster 3 (six poems on power and control). Students study and compare the remaining six GCSE Anthology poems.
Maths	Sequences. Formulas. Real life graphs.
Science	Homeostasis and Response, Organic Chemistry and Atomic Structure. The human nervous system and hormonal control, crude oil and fuels, and atoms and radiation.
